Con Jayso... todo es posible

HELLO!

The Jayso forge furniture is an artisan furniture made with the most conventional forge, hammer and welding, but being able to produce it in series. We are specialists in training our staff individually in one piece, repeating it countless times until we achieve that perfect communion between crafts and mass production.

We have been forging craftsmen for more than 30 years.

All designs are their own, designs that have been improved with the help of our customers, thus having more than 400 references. We always use top quality

materials, both in thicknesses and finishes. Checking each weld and special attention to the fine finishes.

Each piece that leaves our workshop has many hours of labor behind it.

SALUT!

Le meuble forge Jayso est un meuble artisanal réalisé avec la forge, le marteau et le soudage les plus conventionnels, mais pouvant se produire en série. Nous sommes spécialisés dans la formation individuelle de notre personnel sur une seule pièce, en la répétant d'innombrables fois jusqu'à ce que nous atteignons cette parfaite communion entre l'artisanat et la production de masse.

Nous apportons une expérience de plus de 30 ans d'arisans forgerau.

Ce sont nou propres designs qui ont été améliorés avec l'aide de nos clients, ayant ainsi plus de 400 références. Nous utilisons toujours des matériaux de première qualité, aussi bien en épaisseur qu'en finition. Vérification de chaque soudure et une attention particulière aux finitions.

Chaque pièce qui quitte notre atelier a de nombreuses heures de travail manuel derrière elle.
